Dear Requester

Thank you for your request for information about discharges at Ashdon, which we received on 5 April 2026. Your request has been considered under the Environmental Information Regulations 2004 (EIR).

You requested:

1. Information on the discharges at Ashdon Water Recycling Centre and Ashdon Terminal pumping station.

EIR Response: Provision of Requested Information

Please find attached:

- Ashdon STW TDV Data.xlsx

Item 1 is held by Anglian Water and has been provided as an attachment.

Ashdon WRC does not have a spill point to the environment. Ashdon TPS passes forward all flows to the WRC and there is no overflow to the environment. I have attached Ashdon STW TDV Data.xlsx that shows the amount of treated water that is discharged from the Ashdon WRC.
