Dear Mr Hutcheson

Provision of requested information

Thank you for your request for information about spill data for assets in the Rushden lakes area, which we received on 16 July 2024. Your request has been considered under the Environmental Information Regulations 2004.

I attach the data as requested. Please note that Skew Bridge SP is permitted for emergency overflows only and does not have an EDM. Anglian Water is aware of an issue with a water softener which was draining to the surface water system, washing ad blue in with it. This has been resolved and a consent has been issued for the legal discharge of the water softener waste to the correct sewer.

The information supplied to you continues to be protected by the Copyright, Designs and Patents Act 1988. You are free to use it for your own purposes, including any non-commercial research you are doing, and for the purposes of news reporting. Any other re-use (for example, commercial publication) would require the permission of the copyright holder. It is important that this data is not published for security reasons.

If you are unhappy with the service you have received in relation to your request and wish to request an internal review, you should email EIR@anglianwater.co.uk or write to:

Legal Director, Anglian Water Services, Lancaster House, Lancaster Way, Ermine Business Park, Huntingdon PE29 6XU

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:

Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF

If you have any queries about this email, please contact me.

Yours sincerely

EIR Team

Anglian Water Services Limited
