Hi [REDACTED]

I have been forwarded some comments made by Anglian Water in respect of an application for a health centre in Buckingham which would also need to be served by the Buckingham WRC which at the current time has insufficient capacity. The comments state that:

*Buckingham WRC was included for a named growth scheme in our PR24 submission to OFWAT. The scheme was assessed by OFWAT but did not meet their criteria for any funded enhancement allowance in the final determination (released in December 2024). We are currently reviewing and analysing all of our final determination results. We, therefore, submit a holding objection until the end of February, by which time a decision on the investment at Buckingham WRC will be made*

I would be grateful if you could explain what 'funded enhancement allowance' means? I was of the understanding that the works to the Buckingham WRC, as a named scheme within the Business Plan would be completed within the period 2025-2030. Is that still the case or has this position changed? Or is it that you are reviewed the names schemes in terms of priorities?

I would be grateful for your further assistance and look forward to hearing from you.

Kind regards
